a trilingual dictionary being pdf

Multilingualism is the use of more than one language, either by an individual speaker or by a community of speakers. It is believed that multilingual speakers outnumber monolingual speakers in the world's population. More than half of all Europeans claim to speak at least one language other than their mother tongue; nevertheless, many of these are monoscriptual.

Multilingualism - Wikipedia

Military slang is colloquial language used by and associated with members of various military forces. This page lists slang words or phrases that originate with military forces, are used exclusively by military personnel, or are strongly associated with military organizations.
