anti music jazz and pdf

Jazz is a music genre that originated in the African-American communities of New Orleans, United States, in the late 19th and early 20th centuries, and developed from roots in blues and ragtime. Jazz is seen by many as "America's classical music". Since the 1920s Jazz Age, jazz has become recognized as a major form of musical expression. It then emerged in the form of independent traditional ...

Anti-folk (sometimes antifolk or unfolk) is a music genre that arose in the 1980s in reaction to the insularity of the remnants of the 1960s folk music scene. The defining characteristics of anti-folk are difficult to identify, as they vary from one artist to the next. The music tends to sound raw or experimental with the intention to shock and protest.
