Amazon S3 (Simple Storage Service) is a cloud computing web service offered by Amazon Web Services (AWS). Amazon S3 provides object storage through web services interfaces (REST, SOAP, and BitTorrent). Amazon launched S3 as its fifth publicly-available web service [citation needed] and in November 2007 in Europe.. Amazon says that S3 uses the same scalable storage infrastructure that Amazon ...

Amazon S3 - Wikipedia

A Welding Procedure Specification (WPS) is the formal written document describing welding procedures, which provides direction to the welder or welding operators for making sound and quality production welds as per the code requirements . The purpose of the document is to guide welders to the accepted procedures so that repeatable and trusted welding techniques are used.

Welding Procedure Specification - Wikipedia
