Hospital emergency rooms are more expensive than urgent care centers. Patients can save time and money by choosing the right facility.

### **Emergency Rooms vs. Urgent Care Centers - Debt.org**

An emergency department (ED), also known as an accident & emergency department (A&E), emergency room (ER), emergency ward (EW) or casualty department, is a medical treatment facility specializing in emergency medicine, the acute care of patients who present without prior appointment; either by their own means or by that of an ambulance. The emergency department is usually found in a hospital or ...

The Radiation Emergency Assistance Center/Training Site (REAC/TS) is an international leader in emergency response to radiological and nuclear incidents. REAC/TS provides medical services and consultation for radiological emergencies as well as continuing medical education in radiation emergency medicine.

### **ORISE: Radiation Emergency Assistance Center/Training Site**

For emergencies starting outside medical care, a key component of providing proper care is to summon the emergency medical services (usually an ambulance), by calling for help using the appropriate local emergency telephone number, such as 999, 911, 111, 112 or 000. After determining that the incident is a medical emergency (as opposed to, for example, a police call), the emergency dispatchers ...
