### **Downloads | EuroFirefighter**

Firefighting is tough and volatile work to perform. Firefighters described this work as an "organized chaos". They are very much proactive regardless of their training and experience in field of firefighting. Firefighters do not take any emergency call as routine emergency call due to unpredictable scenario on each fire emergency.

### **Firefighters'™ view on Improving Fire Emergency Response A**

Sources: World Fire Statistics Centre fire death data and the United Nations (U.N.) Demographic Yearbook population estimate data. Note: Where 2007 data were unavailable, the death rate for the most recent year available is shown.

### **Fire Death Rate Trends: An International Perspective**

Euro Firefighter is for the CFBT instructor, firefighter, company officer and fire chief. The concept of teaching about flashover using ISO steel shipping containers was developed in Europe " now read how European instructors teach fire behavior using a vast array of Fire Development Simulators (FDS).
