Exporting PDF Issues - posted in GIS: Hello everyone! I'm new to ArcMap/GIS/Autocad in general but I am learning on the job. I've been having problems when exporting a large map to PDF that when it comes to the PDF file , some of the polygons of buildings are coming out uneven and the quality of it just looks bad. Also some of my line features disappear as well.

Canada has a publicly funded medicare system, with most services provided by the private sector. Each province may opt out, though none currently does. Canada's system is known as a single payer system, where basic services are provided by private doctors (since 2002 they have been allowed to incorporate), with the entire fee paid for by the government at the same rate.
