Best Practice Introduction In March 2001, Michael Porter, writing about the use of "best practice" as a strategic option, had this to say: "simply improving operational effectiveness does not provide a competitive advantage."

Best Practice Versus Good Practice - Farrell & Associates

A toolbox for analysing political texts. Discourse analysis is a useful tool for studying the political meanings that inform written and spoken text. In other posts, I have provided a quick video introduction to the topic, and have discussed the ideas behind discourse theory, the main questions that students and researchers will likely ask as they set up their discourse analysis project, and ...

Complexity characterises the behaviour of a system or model whose components interact in multiple ways and follow local rules, meaning there is no reasonable higher instruction to define the various possible interactions.. The term is generally used to characterize something with many parts where those parts

interact with each other in multiple ways, culminating in a higher order of emergence ...

3 Detailed, complete, timely and reliable statistics are essential to monitor the energy situation at a country level as well as at an international level.

Energy Statistics Manual - International Energy Agency

Venture capital (VC) is a type of private equity, a form of financing that is provided by firms or funds to small, early-stage, emerging firms that are deemed to have high growth potential, or which have demonstrated high growth (in terms of number of employees, annual revenue, or both). Venture capital firms or funds invest in these early-stage companies in exchange for equity, or an ...
