Friday the 13th is believed to be an unlucky day in many countries, but a lucky one in others.

Friday the 13th

CNN International, in large part a result of Ted Turner's globalization ideals, began broadcasting on September 1, 1985, at first primarily broadcasting to American business travelers in hotels. The first studio for CNNI was at CNN's original studio building known as Techwood, home at that time to all of Turner Broadcasting System's channels.

Etymology and usage. The term globalization derives from the word globalize, which refers to the emergence of an international network of economic systems. One of the earliest known usages of the term as a noun was in a 1930 publication entitled Towards New Education, where it denoted a holistic view of human experience in education. The term 'globalization' had been used in its economic sense ...
