It is this growth in the American prison population that is considered mass incarceration, which is the result of lock 'em up/tough on crime policies and changes in the criminal justice system, that send thousands of people to prison everyday. It is the makeup of the prison population that leads to the

MASS INCARCERATION, COLLATERAL CONSEQUENCES & RACE: A

The recent literature on mass incarceration has, for the most part, focused on the plight of African American men. A fine example of these new works is sociologist Becky Pettit's *Invisible Men: Mass Incarceration and the Myth of Black Progress* (2012). In an era when the American electorate chose its first African American President, tens of thousands of African American men were in prison ...
