

outlines of english legal pdf

Contempt of court, often referred to simply as "contempt", is the offense of being disobedient to or discourteous toward a court of law and its officers in the form of behavior that opposes or defies the authority, justice and dignity of the court. It manifests itself in willful disregard of or disrespect for the authority of a court of law, which is often behavior that is illegal because it ...

In informal logic and philosophy, an argument map or argument diagram is a visual representation of the structure of an argument. An argument map typically includes the key components of the argument, traditionally called the conclusion and the premises, also called contention and reasons. Argument maps can also show co-premises, objections, counterarguments, rebuttals, and lemmas.
