A state is a constituent political entity of the United States. There are currently 50 states, which are bound together in a union with each other. Each state holds governmental jurisdiction over a defined geographic territory and shares its sovereignty with the United States federal government. Due to the shared sovereignty between each state and the federal government, Americans are citizens ...

Abraham Lincoln (12 February 1809 – 15 April 1865) was the 16th President of the United States, serving from March 1861 until his assassination in April 1865. Initially entering politics as a Whig, he became a member of the US congress from Illinois, and later the first Republican president, leading Union forces throughout the moral, constitutional, political and military crises of the ...
