A gunpowder magazine is a magazine (building) designed to store the explosive gunpowder in wooden barrels for safety. Gunpowder, until superseded, was a universal explosive used in the military and for civil engineering: both applications required storage magazines. Most magazines were purely functional and tended to be in remote and secure locations.

Fans in her native Japan were furious she didn't use a body double when she posed nude for the June 1967 issue of Playboy Magazine (they may have missed the point of the magazine), but Mie was proud to be the first Asian woman to ever grace its pages. She was 23 years old at the time and her measurements were 35-23-35.
