Self-publishing is the publication of media by its author without the involvement of an established publisher. In common parlance, the term usually refers to physical written media, such as books and magazines, or digital media, such as e-books and websites. It can also apply to albums, pamphlets, brochures, video content, zines, or uploading images to a website.

Maya Angelou, an African-American writer who is best known for her seven autobiographies, was also a prolific and successful poet. She has been called "the black woman's poet laureate", and her poems have been called the anthems of African Americans. Angelou studied and began writing poetry at a young age, and used poetry and other great literature to cope with trauma, as she described in her ...
