Virtual Mode, named after a means of accessing all the memory in a computer, is the first installment in a series of novels that seem like a hybrid between fantasy and science-fiction. The multi-dimensionality of this series has a feeling of soft science-fiction, but the working out of the plot is more like a pairing of fantasy and romance novel.

Virtual Mode (Mode, #1) by Piers Anthony - Goodreads

Virtual Mode (Mode #1) by Piers Anthony When she falls in love with a strange man who disappears before her eyes, Colene says goodbye to realityâ€”and hello to an infinite world of dragons, monsters, and impossible dreams.

Virtual Mode (Mode #1) by Piers Anthony, Paperback

Piers Anthony prefers to call Virtual Mode â€œimaginative fiction.â€• That reminds me of Harlan Ellisonâ€™s description of his work as â€œspeculative fiction.â€• Virtual Mode, named after a means of accessing all the memory in a computer, is the first installment in a series of novels that seem like a hybrid between fantasy and science-fiction.
